

## **Aerotek Question and Answer Panel**

### **Start-Up Questions:**

- Share a little about your career journey leading to your role with Aerotek.
- How did Aerotek begin, and how has it evolved?
- What do you enjoy most about working at Aerotek?

### **Concrete Question:**

- We hear a lot about what's called the "skills gap." What does that skills gap mean to companies like yours?
- What skills are the most "in demand" among your clients?
- What can high school and college students do now to prepare for jobs and careers?
- What sets Aerotek apart from other staffing firms?
- How does Aerotek actively participate in helping companies be more diverse and inclusive?
- What are some misperceptions young people or their parents might have today about skilled trades careers, and how would you counter them?
  - Based on that answer, what is the value of a company like Aerotek to support an organization like SkillsUSA?

### **Wrap Up Questions:**

- If you could give one piece of advice to someone starting their career, what would it be?
- Is there anything else we should know about Aerotek and your work?
- Is there anything else we should know about your current open roles or opportunities?
